PROFILE

I run social for Nigerian consumer brands, and I measure it in audience, sales and sentiment. Five years across two agencies and one FMCG house. I plan the content, run the paid budget, staff the community desk and report on what moved the business. Featured work: 167.4K followers and members gained and ₦13.8M in ad spend managed.

EXPERIENCE

Senior Social Media Manager, Nkwo Foods (In-house), Sep 2024 to Present

- Lead social for four consumer food brands with a team of three content creators and two community managers.
- Own a quarterly paid social budget and report reach, cost per result and sales attribution to the Head of Brand.
- Built the X community desk that cut median first response from 9 hours to 38 minutes.
- Launched a Facebook recipe community that reached 38,400 members in six months.

Social Media Manager, Brightroom Digital (Agency), Jul 2022 to Aug 2024

- Managed social for six retainer clients across beauty, beverages and retail, each with a monthly content calendar and report.
- Ran creator programmes with 15 to 40 micro-creators per campaign.
- Trained two junior executives who were later promoted to managers.

Social Media Executive, Lekki Lane Media (Agency), Oct 2021 to Jun 2022

- Scheduled and published daily content for eight small business accounts.
- Handled comments and direct messages, and escalated sales leads to account managers.
- Wrote the first monthly analytics template the agency used across clients.
